

Twin Lakes Church Prayer Update-09/01/26

PRAISE

TLC Connect was last weekend and it helped spread the word about so many of our different ministries, groups and opportunities!

TLC, MISSIONS, OUTREACHES & MINISTRIES

Pray for Nepal. One of Terry and Jeannie Dalrymple's representative council members with Global CHE Network in Nepal reported eleven churches in her denomination were affected by the devastation: church buildings have been lost, while there are pastors and church members who are missing or have lost their lives. Pray for pastors, believers and community members that they may be found safely. Pray for the families who have lost loved ones and are grieving. Pray for pastors and church leaders serving in the affected areas. Pray for the rescue and relief efforts to reach those who are still stranded or in need. Pray for shelter, food, water, medicine and other essential needs to reach those affected families. Pray for strength, comfort, protection and hope for the affected churches and communities. Pray for God's wisdom and guidance for everyone involved in the rescue and relief work.

Remember to pray for **Marty and Carol Pelton serving with Wycliffe Bible Translators.** Pray for Marty as he continues to prepare and train missionaries before they go out on the field. Pray for those who are doing the translation work because one way to introduce people to Jesus is through God's Word translated into a language they best understand.

Continue to pray for **Jonathan and Karen Finley serving with SIM USA.** Jonathan provides missiological leadership to ensure that the Alternate Pathways initiative remains biblically faithful, strategically effective, and culturally appropriate. This role equips the organization, churches, and SIM workers to engage in overtly legal, identity-consistent witness in communities where traditional mission work is not feasible.
