PRINT SHOP

A5 Presentation Folder Outside
367mm x 325mm

Place your design within 'Artwork' layer and delete 'Guide' layer once finished.

Failure to remove guide layer will result in template printing over artwork design.

Please ensure:
• Colour: CMYK (RBG will be converted)
• Fonts: Embedded or converted to outlines
• Image Resolution: 300dpi or higher
• Crop marks and 3mm bleed are included when exporting
• Accepted format: PDF (one file)

Finished Size - This is the finished size of the product one trimmed.

Safe Area - We recommend keeping text and images out of the grey area, remaining in white box.

3mm Bleed - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once trimmed.

Cut Lines - Indicate where the product will be cut to create interlocking tabs or slots.

Fold Lines - Show where the product will be folded. Avoid placing important elements too close to these lines.

3MM BLEED (THIS AREA WILL BE REMOVED)
