

# The Top 20 CROs Scaling UK VC-Backed B2B SaaS Right Now

We mapped the **revenue leaders** driving growth at the UK's most ambitious **Venture Capital-backed B2B SaaS companies** – the ones scaling from £75M toward exit. What's inside:

- 📍 20 active CROs at VC-backed B2B SaaS businesses with £75M–£150M in revenue
- 🏆 70% have led at least one successful PE or VC-backed exit
- 📊 Average tenure of 3.2 years - these are proven operators, not job-hoppers
- 🎓 12 of 20 built their foundations at Tier 1 consulting firms or high-growth US tech companies

This list was built using Topliner, our proprietary market intelligence platform.

If you're a **VC or growth-stage founder or investor** preparing for a commercial hire, this is your benchmark. Know who's available, who's thriving, and what great looks like before you write a job spec.
