Wright **Guest Speakers:**

- Neil Manson – Can-Do Cancer Trust – Neil attended on behalf of President Julie Jardine who is unwell and Can-Do Cancer Trust. Formed over 10 years ago, 100% voluntary trust, every cent goes to cancer patients in assisting the financial burden of families experiencing cancer. \$150,000 per year is donated to families. Essential cards, pre loaded credit cards, no alcohol or cigarettes, each card is worth \$1000 are provided to patients and families of patients attending the Coffs Harbour Cancer Institute. This is discretionary by the social workers. People attending the NCCI are the beneficiaries of this donation. Finances are often stretched, can be used for travel, fuel, bills and essentials, these cards are for immediate assistance.

After that, recipients can be granted more assistance on a case by case basis and based on the needs of the family. Applications go to the board, the board then vote on whether the ongoing help is provided.

CanDo Cancer Trust: Is a local charity that financially supports patients and families attending the Mid North Coast Cancer Institute. They are a fully registered charity with tax deductible status and are audited each year. Their funds are raised by charity events. They have helped 1,802 local families and raised \$855,000 for this support service. CanDo assist those in need in the region by paying household bills or providing food or fuel cards. In an effort to ensure funds remain in the local area and help those most in need in our community, the trust committee distribute money to patients affected by cancer. The Catchment area for CanDo is any patient that attends the MNCCI at the Coffs Harbour Hospital. They are a fully volunteer run organisation and do not have any administration fees.

- Gai Newnam – Pete's Place – The donation is appreciated by the drop in centre which is supported by St Vincent de Paul. There are a lot of people locally sleeping rough, at the creek or where ever they can find a safer type of spot for the night. Some have accommodation but not enough money to support their families.

They provide blankets, food, butane cookers, mozzie coils etc to help assist the homeless in our district. Pete's Place are donated 500 frozen meals per week. Our donation has been used for a new freezer which will assist in the ongoing provision of these services. Ancillary services can be provided through Pete's Place, such as GP's, optometrists, etc. Life is challenging at the best

of times, and our donation will support the centre with food locally. There is a core staff of 5, a minimum of

3 paid staff on every day, as complex support is provided by the centre. There are a minimum of 2 volunteers per day at the centre. There are approximately 100 people sleeping rough every night in our Shire. There are a lot of camps at Park Beach, Woolgoogla and surrounding areas who don't visit the centre. As for most organisations, volunteers are needed on a daily basis.

Pete's Place: The St Vincent de Paul Society has assisted in providing a drop in service for people experiencing, or at risk of homelessness. It was established in 2018 with assistance from Coffs Harbour South Rotary, Coffs

Harbour City Council through an infrastructure grant and a bequest from local Peter Grealy. Originally, Pete's Place provided access to basic needs and provisions such as laundry and shower facilities, food, clothing, blankets and tents as well as qualified staff to provide assessment, support, casework and referrals. Homelessness has escalated in our area over the past few years, with an average of 70 people a day seeking assistance.

Kerry reported, great turnouts. Last Wednesday the ride went to Sandy Beach, the draw for the \$30, won by Nick. There were some interesting bikes there. Michael from Moonee, had an AJS which has been in the family since 1936, it was a 1928 Model bought by his father. He push starts it instead of kick starting it, interesting.

PRESIDENTS REPORT

Thanks everyone for turning up to the CHDMRC AGM.

Wow, how fast has the last 12 months gone.

I'd like to start by thanking the committee for their hard work and dedication in organizing all the rides and events this past year.

It's been great to see the club continue to grow and thrive and I appreciated the opportunities to connect with fellow riders as I'm sure other members do too.

I want to acknowledge the efforts of the volunteers as well for their contributions to the club. It's those little things that can make a better outcome.

It would be good if more club members can get involved in club activities and share their ideas on what could make it even better, who knows, you might have a good one.

Let's continue to support each other when needed, and make our motorcycle club a welcoming and an enjoyable community.

I don't wish to be re-elected as President, it was enjoyable with a fantastic committee.

Keep the rubber side down and enjoy the ride!
