### CLUB MEETINGS:

3rd Thursday of each month, 7.00pm at Sawtell RSL, Sawtell.

Come early for a meal at the bistro.

### LIFE MEMBERS:

Don Sonter, John Budds\*, Pete Richmond, Bill Baker\*, Ned O'Brien,  
Rob Popplewell and Jeff McKenzie. \*Deceased

*Well, the Christmas Party was enjoyed by those who attended. An indoor venue was chosen so that those who would normally have to cook and clean could enjoy the evening themselves as well. But, unfortunately because of Covid restrictions some of our members were not allowed into the venue. As we all know too well, it's hard to please all.*

*Rob Popplewell is putting out feelers for anyone interested in helping out at our next Rally, which is held late May. As always there is a lot of planning prior to the event so those of you who wish to help on the weekend or even for a day, your time will be greatly appreciated. The Rally will be discussed in our up coming meetings so please come along and put your name down for a job if possible.*

*Our oldest member has decided to hang up his boots. Ned or "No Arms Ned" as some call him has chosen for the safer option and taken to four wheels. Hopefully he will still make it to some of our morning teas and maybe we can pick him up in a car occasionally. Anyway Ned, I am sure there are many of us that hope to be still riding at the age of 92 as you did. I think Whiskey is the key to your longevity.*

*It was decided that on Wednesday 9<sup>th</sup> February the club will donate a small amount of cash to the Men's Shed in Coffs. That ride will meet at the men's shed at 9.30. Would be nice if you wore your Club Shirts for the occasion. Morning tea is provided.*

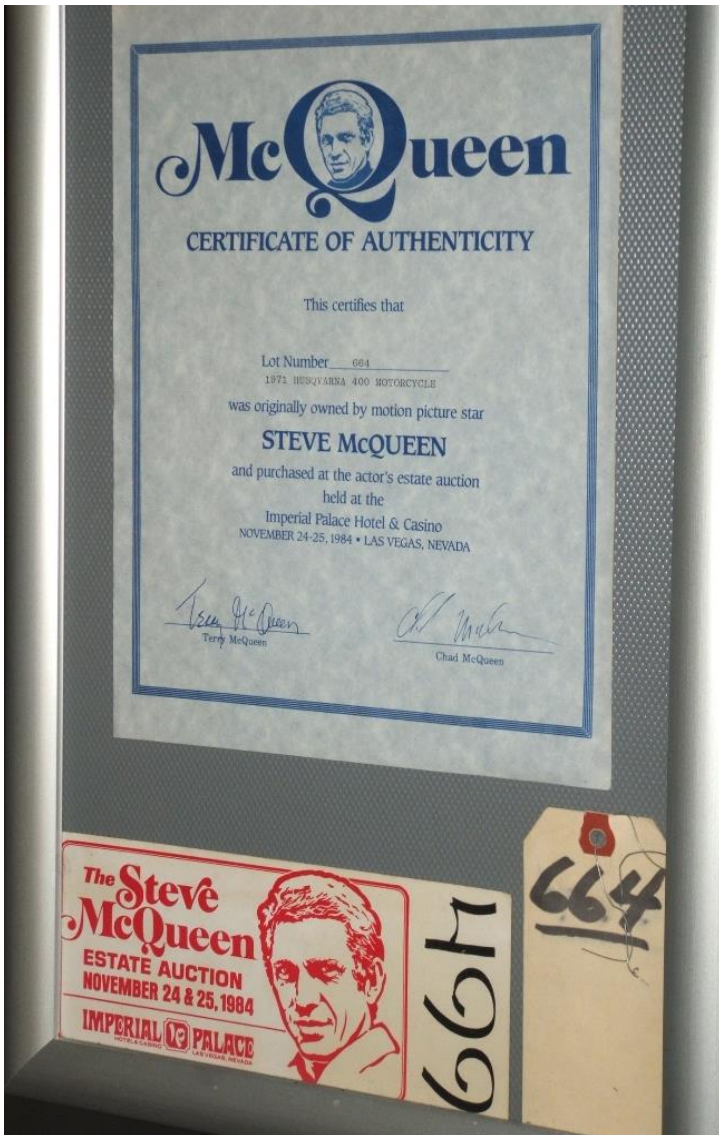

*There is now a Members Section in the Magazine, which is clearly detailed as to when, where and how you can pay your club membership at the time of renewal. It will be a regular in the magazine so there should be no confusion in the future for payments as it can be a trying time for the Membership Officer and Treasurer.*

*I think that's all to report.*

*Cheers  
Bonnie.*

# DAY 40 JOPLIN MO to MIAMI OK

Friday 28th August 2009

## Route 66 Vintage Iron

It wasn't a museum in the true sense of the word but an attachment to a retail motorcycle trader and parts supplier. Route 66 Vintage Iron was privately owned and run and the motorcycles on display were the collection that the owner had purchased and the exhibits covered nearly 100 years of motorcycle construction. What initially attracted our attention was a couple of motorcycle logo names on the windows of a main street shop. He had a few Nortons on

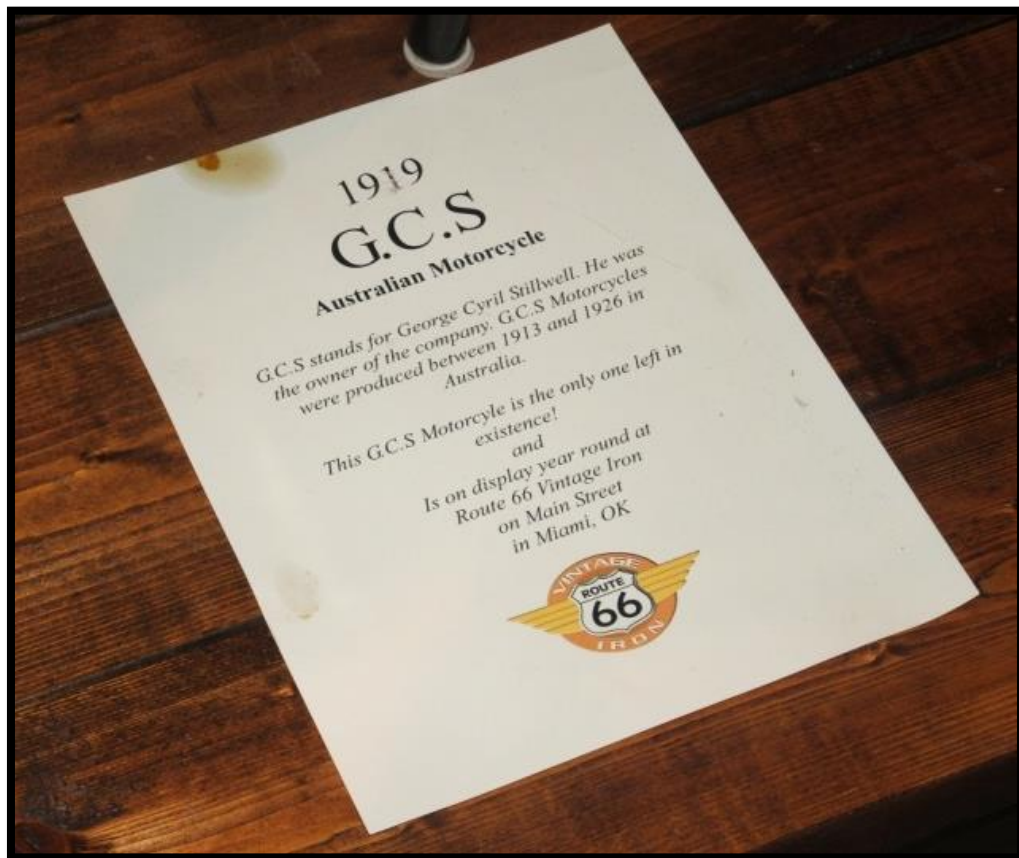

display and the black Commando Roadster was a

later model of the first yellow Norton Commando I owned back in the early 70s.

Despite being in the middle of the USA a couple of the exhibits had an Australian connection.

According to the note this Australian made GCS bike is the only one in existence. George Cyril Stillwell produced motorcycles between 1913 and 1926.

There was a 1917 Harley Davidson that was initially shipped to Australia and sold by Bennet and Woodley in Sydney, but I thought this was a mistake and the retailer was

Bennet and Wood, a long time motorcycle and bicycle manufacturer and retailer in Sydney.

*One of our new club members was kind enough to send me these photos and*

*some information on a 65 day ride around the USA in 2009 that he and his wife did. Thanks for sharing your memories, Andrew.*

# Out and About Sawtell Surf Club.

*Tuesday's coffee at Sawtell Surf Club proved to be popular and a nice change. It was High Tide and Good Vibes. Hope to get a bit more shade next time.*

**Mullaway General Store.**

## **Ride to Bellingen Town Centre.**

*If you choose to sit down the road and wait for the riders to come through you should expect to have a bit of a wait.*

*The 9.00am leave from the Caltex can vary. I waited on the Mailman's Track Roundabout to take some shots, but my patience was wearing thin. I was wondering where they were. As I was just*

up to head off to Bellingen by myself thinking they would never come through I heard the engines coming up the hill, ahh at last.

The ride was to go down North Bank Rd, but all took the easy way bar me. I turned off down North Bank, must admit it has improved, the road has been widened in places, bit of fresh bitumen and they have even removed the cow poo, but there still maybe a few too many bends in the road for some.

## **Agenda: Club Christmas Party**

Options were discussed for possible venues for the Club Christmas party this year, with Covid restrictions impacting possible venues and members being able to attend. Options were:

It was decided that the Sawtell RSL is the best option this year and will be catered by the Club with hot and cold platters. Invitations will be sent out by Lara (thank you) and members will need to respond and pay their contribution of \$10.00 per person to hold their place. Numbers will need to be provided to the Club at least three (3) days prior to the 10<sup>th</sup> of December.

## **Membership Applications:**

1. New member applications – From the 1<sup>st</sup> of January 2022 the committee has agreed that a new member application fee be applied. **Captains Report:**

Kerry Hendy advised the Club has had good attendance at North Beach Tuesday rides as well as good attendance at the Wednesday rides. Some members are creatures of habits and went to North Beach instead of the Surf Club on a recent ride...

The Sunday rides are being attended by regular Sunday riders, with some club members brakes coming on at Glenreagh where they are unable to proceed any further. A handful of riders do continue on to the final destination where lunch, beverages and good stories are had.

#### Membership:

New applications received from Stan Russ; John Farrugia; Peter Ziekemijer; Justin Dyer; Bradley Irvine; Fred Dunford and Donald Cann.

Kyle Maloney was accepted as a Member #264

New member applicants will be attending a ride day to be accepted into the Club after appropriate enquiries are made.

Stan Russ has advised he will not be able to join until after the New Year.

#### General Business:

Minutes from Committee meeting which was held on 5 November 2021 was read by Rob Popplewell.

Christmas party	It was discussed and decided the Christmas party would be held at Sawtell RSL on Friday 10 <sup>th</sup> December 2021 from 6.00pm at a cost of \$10.00 per head, the balance will be subsidized by the Club.
Memberships	It was discussed and decided from 1 January 2022 an application fee will be applied to all new member applications along with the annual membership fee of \$40.00 per member, or \$60.00 per family
	Definition of family was amended to read one riding member and non-riding pillions and family members
	It was decided that Club memberships be capped at 300

Chris Pearson objected to the capping of the memberships as it was in opposition of the Club Constitution. It was discussed at length by the members and mention that applicants were just using the membership to take advantage of cheap registration where there is no intent to be an active club member. The decision was supported by the majority of members and would be reviewed if the Club reached a 300 member point. There are currently approximately 75 spare numbers to reach the 300 mark.

Chris Pearson raised the question regarding the contact from the Showground of the All Fired Up event at the Showground. Chris was referred to the minutes of the meeting held in February 2021 where it was decided that the event would not proceed again, as it was a one off event to raise money for the devastating bushfires in 2019/2020.

Kerry Hendy mentioned that Holgar is back on deck after an illness and has been joining a few rides.

Rob Popplewell mentioned that Ned O'Brien – our oldest member at 92yrs is no longer riding his scooter. He is still continuing as a member.

Gavin Gill relayed a story regarding member Gordon Abbott for their road trip to Phillip Island. On the way down at an overnight stay, Gordon found his BMW to have had the ignition broken overnight in an attempt of someone wanting to steal it. He was trumped by Lisa who said, "At least your bike is still here!" Her bike had been stolen. Local CCTV footage was obtained and shared on social media, an employee at the local pub recognized the perpetrator and the bike was recovered. The group proceeded to the track day and Gordon is still waiting on parts!

#### Rally Report

Rob Popplewell has extended an invitation to all members interested in being on the Rally Committee for next year and will be held at the end of May, date to be confirmed. Nominations will be called for at the next meeting held in December.

**Meeting Closed: 8.45pm.**

### **Captains Report:**

Good turnout on Tuesdays, well attended. Good attendance at Hidden Link, members coming from Macksville etc. Sunday was not well attended as members went to the Toy Run instead. There were three or four members who travelled to the Lowanna ride with Lance. Some members attended through the bush trails. Next Tuesday at Rob Popplewells, hopefully will be a dry event, weather speaking.

Sunday ride this week is to Grafton, with most probably stopping at Glenreagh. Kerry mentioned a Sunday ride in the future will end at Rob Popplewells for a lunchtime BBQ. The Club BBQ is at Rob's and the BBQ is not being used otherwise. This will be planned for 2022.

### **Membership:**

New applications received from James O'Brien; Jordan Burrows; Josh Burrows

John's membership has been accepted, and seconded by Shane Barns.

Josh Burrows and James O'Brien will complete their application forms and submit for approval after enquiry and being accepted at the next meeting.

### **General Business:**

Only general business by Rob Popplewell is to get the examiners together to discuss the protocol they go through to make sure all are operating on the same page for bike registrations. Rob will send an email to all examiners to have some continuity for the registrations being applied for. Rob suggests to new applicants that they should have a pink slip done on their bikes prior to being examined to assist with the examiners job. Examiners to get together in 2022.

Mick Carpenter – suggested we provide some donation to the Mens Shed as we have plenty of funds available. It was suggested a ride day to the Mens Shed for a morning tea. Kerry suggested an amount of \$500 be donated, moved by Mick Carpenter, seconded by Kerry Hendy. Bonnie suggested a Tuesday ride be arranged to the Shed and we can then donate the money on that ride. Mick will go and find out when they can arrange a ride.

Will be decided by Kerry and Mick when to go, Bonnie will include in the January ride calendar.

Una Carpenter – congratulated the Club on the Christmas party, was enjoyed by all.

### **Rally Report**

Rob Popplewell called for members to join the committee, there have been a few takers and will be mentioned at the next meeting for confirm a committee. Rob will again be the convenor, with Una and Mick Carpenter, Bob Rushbrook, Eddie Oremek, Shane Barns also volunteering again.

**Meeting Closed:** 7.35pm.
