CLUB MEETINGS:

3rd Thursday of each month 7.00pm at Sawtell Bowling Club, Sawtell. Come early for a meal at the bistro.

LIFE MEMBERS:

Don Sonter, John Budds*, Pete Richmond, Bill Baker, Ned O'Brien.

*Deceased

I was speaking with the Treasurer the other day who pointed out that there were still some 20 members who were in arrears with their dues. Now this is a problem as these members don't have registration on their bikes, have no membership card to show the machine examiners for inspection and re-registration and due to the Club's Constitution should have their membership cancelled which then requires a repeat of the full application process to become members again. (See the fees section later in the magazine.)

Now at first this seems a matter solely for the Treasurer, until the mailing and email lists for magazine distribution are examined. Only three of those in arrears have sent in an email address to receive the magazine, and with the exception of another two, most of them have not contacted Jeff and Laura McKenzie to be put on the mail out list for magazines. So while the last three editions of the magazines have had articles regarding fees, most of those in arrears are not seeing these articles! So for those of you who are receiving the magazine, if you know members who are not, can you encourage them to send in their email addresses or contact Jeff and Laura with regard to getting mailed copies.

The ride calendar has some shorter rides than normal in recognition of the hotter weather coming. It is also the end of the "rally season" with Hat Head in early November and then a few months off until the next major rally being Taree in March. If you have any suggestions for types of rides, destinations for rides or overnight or longer rides, please send them in or the calendar will become a bit stale!

Out and About

Grafton, Clarence Valley, Rally, 25th -27th August.

The organisers should be proud of themselves: great weather, great choice of roads, excellent marshalling and a super lunch venue. The Brushgrove Pub supplied both choice and quality at very reasonable cost. Because of a fatal accident on the highway near Tyndale police were diverting

traffic and this led to much congestion on the Lawrence vehicle ferry. I've used this ferry many times but never with two ferries operating in tandem. Thankfully the highway had reopened when it was time to return home.

Rob Pop and I were keen to visit our senior member, Bill Baker, so I asked Terry Ryan if we were going anywhere near Maclean and he assured me that we would pass his door! We spent an hour or two with Bill and wife Val and both were in fine fettle. The ride back down the eastern side of the island to the Brushgrove Pub for judging and lunch was most enjoyable. My only disappointment with the day was the meagre attendance of our own club members. After all, Grafton is our nearest club!

Stuart Points' Men's Shed Bike Show. 2nd September.

Thanks For Coming – Ride Safe! Says Stuarts Point Men's Shed

130 Motorcycles Roll-In Stuarts Point Men's Shed Fundraiser

A short time ago, on September 2nd, 2017, Stuarts Point Men's Shed staged their inaugural annual Motorcycle Show to raise money for a much-needed floor-slab extension at their shed.

On that day, the sun shone down through a cool breeze in the rear carpark of Stuarts Point Workers Club. The low rumble of old and new motorcycles percolated quietly under Little Ripper Band playing the Neil

Young song "Unknown Legend", the chorus goes like – "Somewhere on a desert highway – She rides a Harley-Davidson – Her long blond hair, fly-ing in the wind

– The chrome and steel she rides,
colliding with the very air she breathes
– The air she breathes.”

You had to be there to know what a great day was shared with barbeque lunches, friends and families, beer, a rock-band and fine old and new motorcycles. And, there were no cars, the cars parked right away from all the bikes.

Every member of Stuarts Point Men’s Shed is blown away by the amount of support shown by the motorcycling public. Estimates are of around 130 machines that came and went on the day. The Men’s Shed message to all the riders who rolled-up is - “Thanks for coming. Ride safe! – We hope to see you all again next year.”

The motorcycle show organisers say they have learned a few things on this first event. They will be tweaking-up the system for an even more comfortable and better show next Spring.

The pool of 26 nominations for prizes was low due to the perfect weather and the fact that nominated bikes needed to stay put for two hours. After all, on

such a perfect day, why not go for a ride?! But those who did nominate for the prizes raised around \$500 for the shed. The winner in the Most Popular Old Bike and Overall Most Popular Motorcycle was the stunning 1000cc 1957 Ariel Square Four (see pictures), winning a two-day luxury holiday for two at Grassy

Head Getaway. The Most Popular Modern Motorcycle went to the immaculate 1988 Yamaha TDR250 (see picture), winning a three-day luxury holiday for two at Stuarts Point Holiday Park.

The Men's Shed Barbeque took over \$1000, so, after all the costs are taken the shed will have pulled in a bit over \$1100 on the day. This income is very welcome, and now plans for the new floor-slab are beginning to take shape.

But the best part of it all was the day itself, families, fathers, mothers and grands all turned up for a day of days, to see and to talk motorcycles. Kempsey Shire Council kicked-in with traffic-control signage for the day, and a big thank you also goes out to the volunteers, and all the members and management of the Stuarts Point Workers, Recreation and Bowling Club for hosting this great event. "Thanks to you all for supporting the Stuarts Point Men's Shed Motorcycle Show". It is also important to express our deep gratitude to all the newspapers, community radio stations and media networks who helped to get the word out to our community.

3 Gerard Dr, Coffs Harbour NSW 2450

Overnighter to Stuarts Point, the Rusty Iron Rally and Stuarts Point Mens Shed Bike Show, 1st – 3rd September.

We rode down on Friday afternoon and booked into our cabin overlooking the sparkling blue water of the Macleay River and were joined by an "Adelaide blow-in" and Pat and Brenda Holt from Northern Rivers. A pleasant evening was had by all, with a few beers and a meal from the Stuarts Point Bowling Club.

On Saturday, it was off at 8.00am to ride over to the Rusty Iron Rally and catch up with riders from Natureland, Port Macquarie and some more Coffs Harbour riders.

There was a good showing of older machines with four from the “teens”. It was then back for the Stuarts Point Mens Shed bike show and we were joined by a few more of our members. There were about 120 bikes with a great atmosphere, helped by cold ales, high quality steak sambos and a good band keeping the audio going. The vintage section of the show was won by a

“Squariel” from Port Macquarie and then the modern section by a single cylinder Yamaha, very tidy! Rob Pop tried to leave but the “trusty CZ” wouldn’t

play, even though new member Gary, gave it a little bit of a battery charge. For the overnights, it was then back for fish and chips washed down with a beverage at the cabins. In the morning the CWA put on a brekkie at the caravan park and we watched the dolphins frolicking in the river while we dined. It was

home via Scotts Head, and passed some more of our members heading South for a Sunday visit to the Rusty Iron Rally.

Bowling at Comboyne, (Not “Bowling for Columbine”!) 10th September.

A great ride down on a chilly but sparkling blue-sky day. Comboyne Bowling Club did the “bowlers” from Port Macquarie, Taree, Natureland and Coffs clubs proud, with an outstanding example of hospitality; a scrumptious \$2 morning tea and then a \$5 luncheon buffet of equal quality. The bowling was torrid and Coffs Harbour (Skipper, Jenni and members, Nick and Phil aided by the skills of Taree member, Bob Young), worked its way into the Grand Final. With our hands on the trophy and 3 bowls up, Neil Parker from Natureland, rolled last and placed his bowl on the jack to snatch victory from our grasp. A pleasant ride home except for the echoes of David Flint of Natureland Club singing “We are the Champions”!

Northern Rivers Rally, Evan Head, 15th -16th September

It was a great rally held under blue skies and riding the river flats and the hills of the coastal hinterland. The Friday ride was well supported with over sixty bike riders heading out around the district and back to the Wardell pie shop for a snack. The Friday night sausage and rissole sizzle was so well patronised that the cooks had to go back onto the hotplates to cook a second serve.

The evening set the tone of good fellowship for the remainder of the rally. The Saturday morning breakfast and pre-ride gathering packed out the carpark of the Evans Head Bowling Club. There was even a special photo shoot for the forty or so entrants that had come down from Queensland for the rally! (They carried a few trophies back north of the border too!) The ride was out

to Casino for morning tea and then via back-roads to Tregagle school for lunch. It was judging by the entrants and a difficult job, but one that leads to an appreciation of the hard work that has gone into some bikes and variety of models and brands. The dinner was well subscribed, with a monster cake cut

in commemoration of the 25th rally. Despite there only being half a dozen Coffs Harbour members, Justin Williams won the best bike 1950-60 with his very tidy Norton and Jenni Sparks won longest distance travelled to the rally.

Supplementing the Coffs crew were long distance members, Craig Coombs and Julie James who travelled up from Gloucester. A great rally and one that needs to go on the calendar for next year and congratulations to all the Northern Rivers executive and helpers that made it such a success.

Distinguished Gentlefolks Ride, 24th September

A beautiful ride up to Grafton in the early morning to meet up for the Distinguished Gentleman's ride at the Shopping World in Grafton. There was a relatively small but keen crew of Coffs participants, some of whom rode up and others who trailed. A short ride took us out towards

Copmanhurst before returning towards Junction Hill and going to the Grafton Clay Pigeon Shooting Club on the Lawrence Road. Riders were treated to morning tea and given the opportunity to test their skills with the over and under shot gun. A truly 'gentlefolk sport'!! Thanks

must go to Barry, President of the Shooters' club and his supporting members, who directed proceedings without incident. It was then up to the Ulmarra ferry and back into Grafton for lunch at the Crown Hotel. A great day and Mark Smidt, from Clarence Valley club, deserves accolades for his organization as do all the participants for raising \$2,568 for men's health.

Some of the Participants out on the Range

Breakfast at Bongil Bongil and Ride to Ebor, 8th October.

A group of about a dozen enjoyed a hearty breakfast prepared by Rob assisted by Graeme and Dave from Sydney The early start didn't deter many and it was nearly 100% club registered bikes in attendance. Despite being amply sated, a group of 8 set off and had a pleasant ride to Dorrigo for a late morning tea and a chat before the call of chores summoned the crew back down the mountain. A good test run for the Christmas party venue and the shelter shed should provide us with sufficient shade and shelter should the weather turn foul.

Justin with the Northern Rivers Rally, 1950-60's winning bike and buddy, Barry, another “Norton Hard-Case” from Natureland.(see rally report earlier)

Port Macquarie Show and Shine, 15th October.

Despite a wet Saturday in Coffs, the weather came good for the ride down to Port Macquarie and the sun shone hot on the show. There were 34 bikes from the 60 strong Port Macquarie club alone and the quality was very

high. The club bikes were supplemented by a great selection of bikes of all ages and heritages from other entrants, and the vintage and veteran sections in particular were excellent. It was also well worth a walk around the car park as

there were some potential prize winners among the spectator bikes. After a day of relaxing chats and the hospitality of the Settlers Inn, the judges had made their decisions and trophies were presented at about 2.00pm. Of particular note was a perpetual trophy named in honour of the late Brett Poole, an active member and co-founder of the Port

Macquarie club. The trophy was presented by Brett's son for the best club bike. To top the day off, the ride home was done in the dry! Congratulations to John Butler and all the workers from Port Macquarie club for a great day.

Membership Renewal

If you have not paid your membership for 2017-18, then your bikes are not registered!!!

The Club's constitution also roughly states that "If you are two months in arrears then your membership lapses and you get the sack and have to go through the application process again!" Traditionally the club has not enforced this rule.

The current fees are \$40 a member (as per the decision of the AGM) or \$50 for a couple.

The fees can be paid in cash to the Treasurer, by cheque in the mail to the PO box or by direct credit to the Club's account but make sure you put your name on the Payee section. The account details are:
