☐ Yes ☐ No

It has never been the heart of Bishop Hamon to have a Ministerial Association for the purpose of ordaining and licensing ministers, but only to ordain and license those of like heart, faith and vision. If after reading these qualifications, you feel you meet the pre-requisite requirements for licensure/ordination, then sign and return this questionnaire with a written reply on the back and we will forward you a full application to begin the evaluation and relational process toward affiliation with CI Canada.
