

SUPPORT OUR STUDENTS TODAY!

The Parent Advisory Council is raising funds with the school to be able to send our students to the Equine Leadership Development Program at Acts of Hessed. Equine therapy supports emotional regulation, confidence, and social skills — powerful benefits for our students!

One 8 week session for 10 students during the school day costs \$2,880. Our goal is to provide this benefit to all students, but we need your help!

We are excited to partner with RaiseRight to support our fundraising efforts. RaiseRight allows families to easily purchase gift cards for everyday expenses—like groceries, gas, restaurants, and online shopping— or to give as gifts. A percentage of each purchase goes directly to White Oak School! It's a simple, effective way to raise funds while doing your regular shopping. By participating, you're helping us reach our goal of funding the equine therapy program for all students.

Thank you for supporting this partnership!
