

Clicklease Doubles Returning Customers for Restaurant Supply Company

The Problem:

A restaurant supply store in the Chicago area needed a better financing partner to improve their customer experience.

In February of 2019, they discovered Clicklease.

“

Clicklease has helped us grow our business [and] has driven revenue growth in my organization. It has opened up a new customer base I didn't have access to before...[It's] revolutionized the way I do business.”

—Angelo Selas, Sales Rep

The Solution:

Now, this restaurant supplier leverages Clicklease as their primary financing provider. Customers see advertising in-store and ask about Clicklease. They also advertise Clicklease financing in their marketing and social media.
