

Clicklease Helps Landscaping Equipment Supplier Increase Revenue 35%

The Problem:

This Ohio-based landscaping equipment supplier needed a better financing partner. Their previous financing solution was denying too many customers. They had tried using Quicksparc, but they needed a better solution.

In February of 2020, they discovered Clicklease.

The Solution:

Now, this landscaping equipment supplier leverages Clicklease to close more sales. They have “click to apply” buttons on their website to make it as easy as possible for customers to access the financing options they need.

Clicklease has helped us grow our business [and] has driven revenue growth to my organization.”
