WEDDING PLANNING A-Z

What can you expect from Wedding Planning A-Z?

"The most pleasant, carefree and comprehensive service you can choose as a couple. As a wedding planner I can be of the very best service to you, and together we will turn your dream day from dream to reality."

What can you expect from Wedding Planning A-Z?

Your '**wedding best friend**' throughout the engagement period!

Comprehensive introduction; start moodboard

Personal welcome package Aysenur Sari Events

Unlimited meetings (in person or online); updates & detailed consultation

Unlimited (cultural) advice and consultation

I search for your perfect venue(s)

I search for your favorite caterer(s)

I search for the most beautiful flowers and/or decorations according to your wishes

I am present at viewings, tastings, visits, etc.

I monitor your budget and provide a cost overview

You receive your own online working document with all necessary information for your wedding day, which we fill in together

Your own personal folder where you can keep all important documents, moodboard, fabric samples, contracts, etc.

We choose your printed materials together and I search for the right printer

I am the contact person for your suppliers.

I am the contact person for your guests for questions and input

I receive guest RSVPs and incorporate them into the planning

I create, after consultation together, layouts/designs for ceremony, reception, dinner

We discuss your music wishes and I search for the right band/DJ

We discuss your desired photography style and I search for the right service provider(s)

We discuss your transportation wishes and I search for your dream wedding transport

I suggest a number of suppliers who provide your desired thank-you gifts, and you choose from them

After consultation with the bride about her wishes regarding hair and make-up, I suggest service providers you can choose from.

Sparring partner via WhatsApp/email.

If you wish, I am also present when you shop for your wedding dress and wedding suit.

You receive a comprehensive schedule well before your wedding day with ALL information and details for the day.

I am the master of ceremonies at your wedding day and ensure everything runs smoothly.

Aftercare: After your wedding day we meet once more to toast to the pleasant period and collaboration. We look back, talk about your experiences and enjoy it afterwards.
