*For certain types of work, in addition to applying the appropriate NAICS code, the Ohio UCP applies a descriptor from its own classification scheme. The Ohio UCP's descriptors table is available at www.ohioucp.org (click the 'Ohio UCP Descriptors' link).

ACDBE certification allows Aldevra LLC to participate as a ACDBE on federally assisted transportation-related projects and/or contracts. All Ohio's Federal Highway Administration, Federal Transit Administration, and Federal Aviation Administration recipients and subrecipients will accept this ACDBE certification. Aldevra LLC is subject to the requirements of the ACDBE regulations (49 CFR Part 23, as amended) and all laws of the State of Ohio applicable to the transaction of business. An ACDBE certificate for Aldevra LLC may be viewed or printed from the Ohio Unified Certification Management System at <https://ohiodot.dbesystem.com/>. Log in to the system with your credentials and use the left navigation menu to select View >> My Certifications.

Aldevra LLC is required to inform ODOT in writing of any change in circumstances affecting its ability to meet the size, disadvantaged status, ownership, or control requirements of the ACDBE regulations or any material change in the information provided in the firm's application form. The notice must take the form of a sworn affidavit or an unsworn declaration executed under penalty of perjury of the laws of the United States. The written notification, along with supporting documentation describing in detail the nature of the change(s), must be submitted within 30 days of the occurrence of the change(s). Failure to provide timely notification will result in ODOT's action to decertify Aldevra LLC as a ACDBE in Ohio. To submit a Declaration of Change, go to <https://ohiodot.dbesystem.com/>, log-in with your credentials and click on **Renew / Apply for Certification** on the top right hand corner of the system dashboard.

As an ACDBE, Aldevra LLC is also required to submit an Annual Declaration of Eligibility attesting there have been no changes in circumstances affecting its ability to meet the size, disadvantaged status, ownership, or control requirements of the ACDBE regulations or any material changes in the information provided in its application form (except for the changes about which it has already notified ODOT, if any) along with its current Federal business tax return (and those of its affiliates, if any) each year on its anniversary date. Aldevra LLC's next Annual Declaration of Eligibility is due on **October 27, 2026**. To submit an Annual Declaration of Eligibility, go to <https://ohiodot.dbesystem.com/>, log-in with your credentials and click on **Renew / Apply for Certification** on the top right hand corner of the system dashboard.

ACDBE certifications do not have an expiration date; however, Aldevra LLC must submit the Annual Declaration of Eligibility on or no more than 30 days before its anniversary date. Failure to provide the requested documents in a timely manner will result in ODOT's action to decertify Aldevra LLC as a ACDBE in Ohio.

Please be advised that a firm is not eligible to retain NAICS codes in all or some areas of work grouped under the NAICS codes if that firm exceeds the size standard listed under the NAICS codes. If a firm exceeds the size standard in any of its approved NAICS codes, it is no longer certified as a ACDBE under that specific NAICS code. If a firm exceeds the size standard in all of its approved NAICS codes or if the firm's controlling owner(s) exceed the established Personal Net Worth standard, it is no longer eligible to participate as a ACDBE.

If Aldevra LLC expands in its line of work or adds additional lines of work to its capabilities, one or more NAICS codes and/or descriptors may be needed. To request additional NAICS codes, please submit the NAICS Code/Descriptor Request Form at <https://ohiodot.dbesystem.com/>. Log-in with your credentials and click on **Renew / Apply for Certification** on the top right hand corner of the system dashboard.
