Dear Mr. Marshall:

Congratulations! Aldevra LLC has been certified by the Ohio Department of Transportation as a Small Business Enterprise (SBE).

SBE certification allows Aldevra LLC to participate as an SBE on federally assisted projects and/or contracts that have an SBE set-aside. For more information on upcoming bidding opportunities please visit <https://www.transportation.ohio.gov/programs/business-economic-opportunity/sbe/sbe-set-aside>. An SBE certificate for Aldevra LLC may be viewed or printed from the Ohio Unified Certification Management System at <https://ohiodot.dbesystem.com/>. Log in to the system with your credentials and use the left navigation menu to select View >> My Certifications.

In order to bid on SBE set-aside projects, Aldevra LLC will need to have the ability to perform or exercise at least 30% of the total cost of its contract with its own workforce. Additionally, in order to bid on SBE set-aside projects as a prime, Aldevra LLC must be prequalified with ODOT.

We encourage you to contact the Office of Outreach to learn more about upcoming matchmaking events and contracting opportunities with ODOT. To locate the Regional Outreach Manager in your area, please go to <https://www.transportation.ohio.gov/wps/portal/gov/odot/programs/outreach/outreach> and click on the Regional Outreach Contacts tab.

If you have any questions please contact our office at (614) 466-2878 or [DOT.SDBE@dot.ohio.gov](mailto:DOT.SDBE@dot.ohio.gov).
