### Experience

#### Pikky.io- UI/UX Designer

June 2025 -Present

Leading UI/UX for Pikky’s restaurant POS system across dine-in and delivery. Collaborating on intuitive interfaces, onboarding, and dashboards, driven by quick user insights, fast iteration, and clean Figma handoffs to devs.

#### Prompt BI (formerly Skizaa AI)- Design Lead

Jan 2024 -April 2025

Led the design of Prompt BI, the dashboard, and the website/landing page, spearheading user-centric solutions and developing cohesive design systems that enhanced user experience and visual consistency across platforms.

#### Skizaa Education- UX Designer

June 2023 -Jan 2024

Solely designed Skizaa Dataroom and Forms, enhancing user interaction and streamlining functionality.

#### Skizaa Education - UX Designer Intern

May 2023 -June 2023

Improved designs for attendance-taking mobile app and integrated features to reflect attendance data in the dashboard for organizational views.

#### HireGenZ.in -Part Time UX Designer

April 2023 -June 2023

Designed a versatile hiring app from concept to prototype, emphasizing empathy-driven user experiences.

#### DesignGare Studio - UX Designer Intern

Dec 2022 -April 2023

Crafted a ride-hailing app, functioning as a customizable online ride-ordering service akin to a taxi, with a focus on intuitive user experience.
