# PRODUCT CATALOGUE

**#WE ARE TAOC**

We make cleaning easier  
and affordable for everyone.

# Get to know Your machine

## 6 BR 56

Model line   Machine type   Working width

### Model line

The machines are categorized into model lines based on their size and cleaning productivity.

### Machine type

B - battery

BT - battery with traction

BR - battery ride on

PRO - professional

### Working width

Defined by the brush width, ensuring optimal cleaning coverage and efficiency.

## ICONS & SYMBOLS

### Battery powered

Cordless flexibility for efficient, quiet cleaning in hard-to-reach areas.

### Cable powered

Consistent power and performance for long, uninterrupted cleaning sessions.

# LIA PRO

## Discover new cleaning possibilities.

Battery powered floor scrubber dryer with high performance, quality and easiest control of the machine while cleaning.

Thanks to its high performance, easy handling, Lia is suitable for cleaning small, medium and medium large sized areas. Thanks to its compactness, you will welcome how easy is to transport the machine to another building for another cleaning task.

## Discover LIA PRO

All-new floor scrubber dryer with **TAOC FIXED DRIVE** = easiest way to operate scrubber dryer and **TAOC 360 DRIVE**, if maneuverability needed.

## Discover LIA PRO

**70 minutes** of cleaning per one charge, brushes in standard, pad holders as option. New type of squeegee with no tools needed. **Discover new cleaning possibilities.**

### 36V

Power supply

### 420 mm

Working width
