# WHY HPL FOR CUBICLES

## MOISTURE RESISTANCE

Ideal for bathrooms and kitchens, HPL repels water and humidity, preventing warping and damage.

## EASY CLEANING

Just a simple wipe-down keeps HPL cladding looking new, resisting stains and dirt in busy environments.

## DURABILITY

HPL's durability and resistance make it a long-lasting option, offering protection against wear and tear.

## DESIGN VERSATILITY

Available in various finishes and colors, HPL allows for seamless integration into any architectural style.

A photograph of a modern gym interior featuring a row of white, modular cubicles. The cubicles are separated by vertical dividers and have a clean, minimalist design. To the right of the cubicles, there is a wooden shelving unit with several empty shelves. The ceiling is made of concrete with recessed lighting. The overall aesthetic is industrial and contemporary.
