Cherish serene, waterfront views from this modern, widely renovated home on a quiet cul de sac surrounded by neighborhood parks. The moment you enter into the spacious living room with vaulted ceilings, expansive windows, and access to the sprawling deck overlooking the lagoon, you'll understand why this beloved home is on the market for the first time. Natural light warms the new flooring and freshly painted walls that extend into the open, dine-in kitchen where you'll find all of the high-end stainless steel appliances and quality features you are looking for. All 2.5 bathrooms have been beautifully updated including the primary ensuite with a contemporary, dual sink vanity. In your free time, relax at Marlin Park's beach just down the road, stroll along Beach Park Blvd, and dine and shop throughout the area. You'll love the proximity to wonderful Green Foster City Schools and convenient access to Highways 92 and 101. There is no better place to enjoy the Foster City lifestyle!
