Preface

Zoetermeer, September 2025

Dear 4 thavo students,

It is so good to see you back in school again.

This is your first year in senior school. A lot will be different for you this year. Almost all subjects are now in Dutch to prepare you well for your havo examen next year. You don't have all your lessons with the same students anymore and some of your marks already count for your school exam marks in year 5.

Last but not least you will start with the IB English Language B diploma programme on top of your havo diploma. Your English teacher and your GP teacher will help you prepare for the IB exam.

In the Final Examination Requirements (F.E.R. or P.T.A. in Dutch) are stated all the official regulations. You can find this document also on the website and on Magister.

Make sure to work consistently and plan time to relax and do sports as well. Work, rest, play and enjoy. Keeping a balance is important.

I wish you, together with your teachers, good luck.
