Preface

Dear 6 two student,

It is so good to see you back in school again. I wish you a successful year in good health for you and your family.

This is your final year and we are convinced you will do really well in both your Dutch board exams as with the IB English Language A exams.

In the past years you have learned a lot about doing practical assignments, time planning and being responsible for your work. We know you have the skills to make this final year another success.

In the Final Examination Requirements (F.E.R. or P.T.A. in Dutch) you will find all the official regulations. You can find this document also on the website and on Magister.

I wish you a great year.

Drs. M.A. de Haas
Head of the bilingual department
senior school

The IB programme

Next to the exam for the regular stream you will take the IB exam English A: Language and Literature. Be aware that although you do the same components as other students for the VWO exam you may do these in different periods than the other students. Have a good look in your FER.

All the written work for the IB will be externally assessed.

The Individual Oral in year 6 is assessed by your teachers. The Individual Oral is also recorded and sent abroad for moderation. The same oral will also be marked by your teachers for the VWO exam, using the VWO assessment criteria. The latter also applies to the School Exam on writing. You will be writing a mock Paper 2, and be marked for VWO writing skills, using the VWO assessment criteria.
