The IB programme

Next to the exam for the regular stream you will take the IB exam English Language B. Be aware that although you do the same components as other students for the havo exam you may do these in different periods than the other students. Have a good look in your FER.

All the written work for the IB will be externally assessed. The Individual Oral in year 5 is assessed by your teacher. The Individual Oral is also recorded and sent abroad for moderation. The same oral will also be marked by your teacher for the havo exam, using havo assessment criteria. The latter also applies to the School Exam on writing. You will be writing a mock Paper 1, and be marked for havo writing skills, using havo assessment criteria.
