## Preface

Zoetermeer, September 2026

Dear 4 two students,

It is so good to see you back in school again.

Almost all subjects are now in Dutch to prepare you well for your vwo examen in two years time. More marks already count for your school exam marks in year 6.

Last but not least you will start with the IB English A Language and Literature diploma programme on top of your vwo diploma. Your English teacher and your GP teacher will help you prepare for the IB exams.

In the Final Examination Requirements (F.E.R. or P.T.A. in Dutch) are stated all the official regulations. You can find this document also on the website and on Magister.

Make sure to work consistently and plan time to relax and do sports as well. Work, rest, play and enjoy. Keeping a balance is important.

I wish you, together with your teachers, good luck.

Mr. de Haas  
Head of the bilingual department  
Senior school

The art autobiography, the four personal encounters with professional art plus reflection, and the personal research study and final presentation are mandatory. A student who has an unsatisfactory final grade after completing GA can retake the art visit linked to a personal research study followed by the creation of your own artwork (period 3) with a reprofiling assignment.
