Department:	Cultivation
Reports to:	Cultivation Manager
Effective Date:	April 7, 2026

POSITION SUMMARY

Executes daily cannabis cultivation operations under the supervision of the Cultivation Manager and Cultivation Supervisor(s). Responsible for hands-on plant care and maintaining cultivation standards to ensure healthy plant development and quality production. Reports to the Cultivation Manager and works collaboratively with the cultivation team.

KEY RESPONSIBILITIES

Cultivation Operations

- Execute daily and weekly cultivation tasks including feeding, nutrient brewing and maintenance, cleaning, trellising, topping, super cropping, pruning, transplanting, training, and plant monitoring via systems
- Monitor plant health and development, identifying issues such as pests, disease, or nutrient deficiencies
- Execute cultivation tasks according to established SOPs and schedules
- Assist with transplanting and plant movement activities
- Report plant health issues, equipment problems, or safety concerns to Cultivation Supervisor(s) and Garden Manager

- Processes and prepares coco coir for transplants

Facility Maintenance & Sanitation

- Maintain cleanliness and sanitation of grow rooms, equipment, and work areas
- Clean and sanitize tools, pots, trays, and cultivation equipment
- Remove plant waste and maintain organized work areas
- Assist with general facility maintenance tasks as needed

Documentation & Compliance

- Accurately document daily/weekly cultivation activities in necessary cultivation logs
- Follow all state specific cannabis regulations and company compliance policies

Required Qualifications

- Background check – no disqualifying offenses
- Reliable transportation
- Flexibility in schedule (Monday-Friday)
- Ability to work independently and in teams
- Excellent time management and communication skills

Preferred Qualifications

- Previous experience with cannabis or plant cultivation

Physical Requirements

- Ability to stand and walk for extended periods during cultivation activities
- Comfortable working in warm, humid environments with bright lighting
- Ability to lift and carry up to 50 pounds regularly
- Capable of bending, kneeling, and reaching during plant care activities
- Ability to work from ladders with equipment

Compensation & Benefits:

- Salary Range: \$16.00 to \$17.00
 - Actual compensation depends on experience level and demonstrated track record.

- Benefits include:
 - Health, dental, and vision insurance
 - Paid time off and holidays
