

PARTICIPANTS NEEDED!

Help us improve early dementia detection!

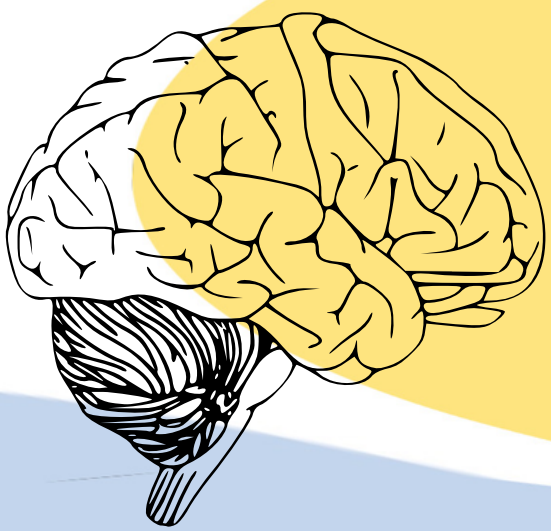

If you...

- ✓ Are a healthy adult aged between 20 and 80
- ✓ Have an iPad with iOS 16 or later
- ✓ Speak and understand English fluently
- ✓ Want to contribute to the advancement of science for clinical research

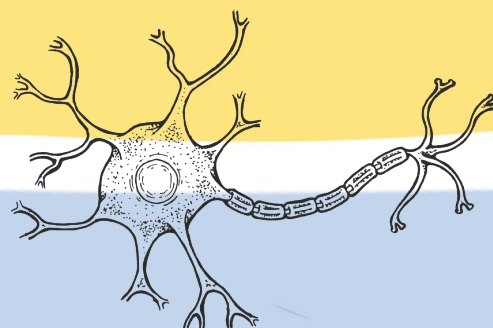

Then...

We need less than half an hour of your time to participate in an exciting study at UCL's Dementia Research Centre, all from the comfort of your own home!

What's involved?

1. Interested? Email a.blesius@ucl.ac.uk
2. Complete a cognitive assessment (game-like tasks on your iPad)
3. Send us your unique app-generated code
4. Complete a short feedback questionnaire

Sign up today!
