Map: Hillcrest Sprint Map
Meet Director: Justine Scheck
Volunteers: Barbara Scheck

Thirty-eight people came out on a lovely warm August evening to have a go on the map between Hillcrest and Granger. With many Yukon orienteers on summer breaks we were delighted to welcome Jim Green, a fellow orienteer from Haines Alaska.

A family group of Lily Menzies-Quinn, Kayyen Oscar-Quinn, and Micah Quinn were the only participants on the Novice Course. This course took them around 1.3 km of trails down to Paddy's Pond and finished through the greenbelt in the centre of Hillcrest. The group finished in 32:59.

The Intermediate course was slightly longer at 1.7 km and took participants in a longer loop around the Hillcrest neighbourhood.
