

INFORMAL PLACE SETTING

A practical arrangement for weddings, celebrations, and relaxed plated service.

PLACEMENT REFERENCE

Utensils are placed one inch from the edge of the table

START FROM THE OUTSIDE

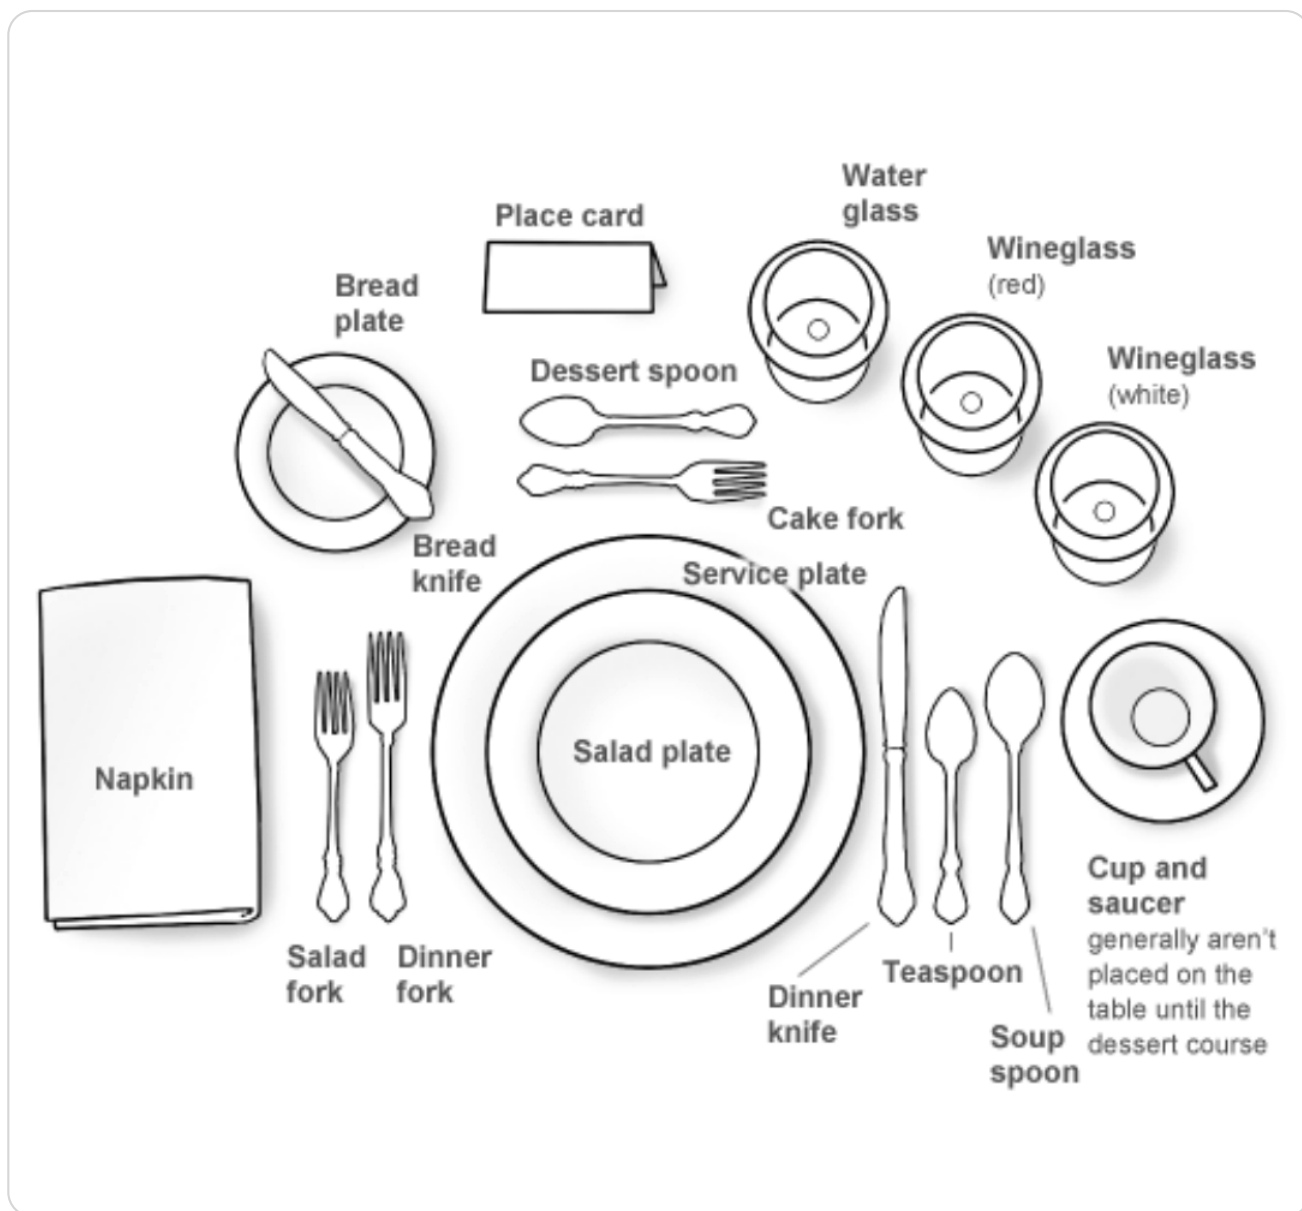

Flatware follows the order of service: the first utensil used sits farthest from the plate.

Position utensils approximately one inch from the edge of the table.

FORMAL PLACE SETTING

A complete arrangement for multi-course service and more traditional events.

PLACEMENT REFERENCE

BUILD AROUND THE MENU

Only set the pieces required for the courses being served; specialty pieces can arrive with their course. Glassware sits above the knives, while bread service and forks remain to the left.
