LONDON FIELDS GOLF AND GAMES BAR

THE COURSE

We have rebuilt our course for 2024, now much bigger! This challenging nine hole crazy golf course overlooks the big trees and open greens of London Fields, Hackney.

A perfect summer sunset spot has stools and tables dotted around the course, so your group can enjoy some leisurely crazy golf in the sun whilst sipping back on the tropical cocktails served from the Bar.

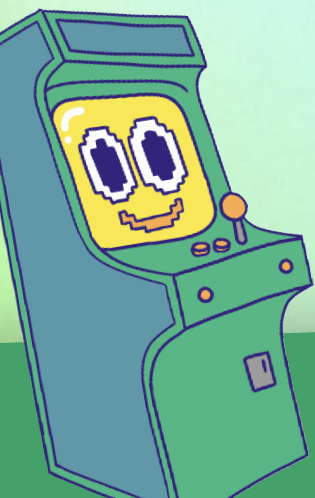

THE ARCADE & POOL

This one of a kind mini golf, arcade and games bar is the jewel in our Plonk crown. At the heart of the arcade we have 2 american pool tables.

With disabled access throughout, an arcade with 7 machines including pinball, retro arcades and foosball, skeeball, and Point Blank! and a selection of over 100 board games, we truly have something for everyone!

For an additional cost we may be able to provide specific arcade machines and games upon request - please get in touch to enquire!
