BOROUGH MARKET

Plonk at Borough Market is a celebration of all things London. This festival of street art wraps around a 9 hole golf course, showcasing some of London's most famous monuments, sights and traditions – not to mention some of our best ever obstacles!

We've recently expanded the venue, adding a full service cocktail bar and a packed retro arcade featuring drivers, shooters, fighters, button bashers, air hockey and foosball. There's something here for every sort of gamer!

This venue is perfect for smaller private hire takeovers – ideal to combine with a meal out in the market! So, if you're ready to host an event like no other, please do get in touch to find out more. We can accommodate up to 120 people for private hires.

CRAZY GOLF IN BOROUGH MARKET 9 HOLE PLONK PARADISE

Celebrate all things London at Plonk Borough Market. A crew of London's hottest muralists and street artists have created a 360 degree gallery on the walls, ceiling and floors in the vaults underneath London Bridge and Borough High Street.

Putt across Tower bridge, Swoosh around an eel and mushy pea hole, shoot the guns of the Belfast, jump into the Tower of London, ramp up a red phone box and surf a surge on the thames barrier. Its all to play for on this uniquely London themed course.

Our fully licensed bottle bar is now open until 11pm, so we'll be serving up our G&Tee's, cocktails, wines and cold craft beers to keep you refreshed as you putt your way around the course!

Please note, we can extend our alcohol license for private hires. Please enquire with our team.
