

NATURAL STONE FLOORING & WALLING

# Eve Antique Limestone

tumbled

[tumbled.com.au](http://tumbled.com.au)

This exceptional natural limestone features an enthralling array of fossil deposits that create an intricate network of veining and variations. While the deep grey base hues make for a versatile foundation for your home or commercial design project, the movement across the surface is a majestic feat of nature. Softly antiqued & tumbled, Eve Antiqued finish provides a soft patina underfoot, which makes it a beautiful choice for indoor and outdoor use, as well as wet areas.
