OSTUNI

European alfresco styling is only a step away when you consider the Ostuni natural stone marble, French pattern tile. With a textured weathered surface and a structured finish this tile is perfect as an alternative for outdoor pavers, in a modular French pattern.

Tiles may vary in sizing, weight, colour, pattern, veining, texture, durability, density, surface and finish from batch to batch. Slip ratings serve as an indication and may vary for each batch of tiles. It is recommended that a new test be performed for each batch of tiles if a slip rating certificate is required. The product images shown are for illustration purposes only and are not an exact representation of the product.

Ostuni is available in four classic colours that optimise the earthy tones of outdoor living. The modular French pattern adds authenticity in a tile range most suited to use on external floors, walls or areas that seek a higher anti-slip rating. With cushion edges the modular design pattern is easy to lay.
