Tundra Grey natural limestone tiles exude sophistication across walling and flooring throughout both residential and commercial design projects. Tundra's beautiful warm grey palette features shocks of white veins forming a cloud-like pattern, with the occasional pits and darker streaks to pair with a wide range of monochromatic colours. This incredibly durable limestone exhibits a higher density and greater strength than similarly coloured limestones in our natural stone collection.

Stone Colour

Warm Greys

Tile Edges

Sawn

Tile size Options

305 x 75 x 12 mm/ 610 x 305 x 12mm / 610 x 610 x 15 mm/ 915 x 458 x 15 mm
