Natural stone comes from the earth, each piece is unique. Variations in colour, texture, tiny holes and natural markings are part of its character.

Sealing & Cleaning

Tumbled recommends Sealing all Natural Stone For more information on caring for your natural stone please refer to our website www.tumbled.com.au

Pool Coping

The suggested sealing technique would be to preseal all six sides of Pool coping with Defender CSD Pure (AP675) Actichem, the final seal would be a choice of either Stone Sealer Gold (AP177) Water-based or Solv Sealer Gold (AP176) Solvent Based Actichem.
