

RECOMMENDED GROUT PAIRINGS

Grout colours.

A tonal and contrast grout guide for the Tumbled range — **149 floor and wall products**, A to W. Tonal colours blend with the tile for a seamless finish; contrast colours define each piece.

TONAL VS
CONTRAST

Tonal colours blend with the product for a seamless finish; contrast colours define each tile. Always confirm against a physical sample before grouting.

WALLING PRODUCTS

Mix: 5 All Stone White Sand · 2 White Lime · 1 Aalborg White Cement · Master Additive. Prebagged grout colours are available, selected by your designer or stonemason.

SOURCING

Tumbled does not supply grouts. These can be purchased from your preferred tiling retailer.

CUSTOM MIX

Two grouts blended to order — no single contrast option. — No contrast pairing offered.
