WOW Tesserae Suit

Inspired by the handmade cement tiles of the nineteenth century and the mosaic artisans who set their designs one piece at a time, Suit composes a quiet geometric grid of interlocking tesserae in a soft matt porcelain, in two colourways.

SEALING & CARE

Porcelain is dense and impervious, so the tiles do not require sealing. Seal the grout joints with a penetrating grout sealer once cured, and wipe with a pH-neutral cleaner. Shade variation V3 — blend tiles from several boxes before fixing.
