Clay Brick Mosaics

The Brick mosaic collection pairs raw material beauty with a smooth, refined finish. Every extruded clay tile has a softly textured surface, in four tones from rich browns and warm oranges to pale beige and cool grey. Ideal for adding texture to feature walls and splashbacks.

SEALING & CARE

Unglazed clay is porous — seal with a penetrating sealer before grouting, then again once grouted. Clean with a pH-neutral cleaner. For care guidance, visit tumbled.com.au.
