FLOORING & WALLING

Olivia Limestone

From its delicate veining to fascinating fossilisation, Olivia Limestone features subtle variations that catch the eye. A sandblasted finish amplifies its monochromatic palette while retaining each tile's unique character, with a textured surface that's soft underfoot — suited to both internal and external applications. We love it around pools, against greenery and softened by timber elements in landscape design.

TILE SIZE OPTIONS

INDOOR · OUTDOOR · POOL SAFE

800 × 400 × 20mm

COPING / STEP TREAD

Pencil Round · 800 × 400 × 28mm

Rebated · 800 × 400 × 20/60mm

Custom sizes available on application. Lead time 26 weeks unless in stock. Contact Tumbled for current pricing.

Natural stone comes from the earth, each piece is unique. Variations in colour, texture, tiny holes and natural markings are part of its character.

SEALING & CARE

Tumbled recommends sealing all natural stone. For coping, preseal all six sides with Defender CSD Pure (AP675), then finish with Stone Sealer Gold (AP177) or Solv Sealer Gold (AP176), Actichem. For ongoing care guidance, visit tumbled.com.au.
