FLOORING & WALLING

ironside marble

Ironside Marble is the flooring selection for a truly bespoke customer. The sense of movement is striking, with no two pieces the same. Surges of burnt orange channel through its mottled surface of light and dark greys, and upon close inspection you'll even discover warm creams, golds and pinks. A statement stone for both internal and external spaces. We recommend a tonal grout to keep the focus on the stone's character.

Natural stone comes from the earth, each piece is unique. Variations in colour, texture, tiny holes and natural markings are part of its character.

SEALING & CARE

Tumbled recommends sealing all natural stone. For coping, preseal all six sides with Defender CSD Pure (AP675), then finish with Stone Sealer Gold (AP177) or Solv Sealer Gold (AP176), Actichem. For ongoing care guidance, visit tumbled.com.au.
