FLOORING & WALLING

Como Travertine

Como Travertine is a warm, cream-toned travertine with a clean sawn finish that embraces the natural irregularity of the stone. It harmonises beautifully with modern architecture and suits both internal and external spaces, from large format floors to pool surrounds and feature walls.

Natural stone comes from the earth, each piece is unique. Variations in colour, texture, tiny holes and natural markings are part of its character.

SEALING & CARE

Tumbled recommends sealing all natural stone. For coping, preseal all six sides with Defender CSD Pure (AP675), then finish with Stone Sealer Gold (AP177) or Solv Sealer Gold (AP176), Actichem. For ongoing care guidance, visit tumbled.com.au.
