

Santiago

IRREGULAR WALLING

COLOUR	TILE EDGES	STONE	APPLICATION
Gold, Brown & Grey	Tumbled	Granite	Walling

ORDERING DETAILS

Lead time 18 weeks unless in stock. Walling sold in 1m^2 lots; corners sold per lineal metre (1 lm covers approx. 0.3m^2).

WALLING

Santiago

Santiago is a granite walling in golds, browns and greys, cut into irregular pieces and tumbled to soften every edge. The dense, hard wearing surface suits exposed facades, feature and retaining walls, inside and out.

WALLING & CORNERS	RRP INC. GST
Walling · Irregular · 20–40mm	$174.70 / m^2
Corners · Irregular · 20–40mm	$128.12 / lm

PLEASE NOTE — INSTALLATION

When installing without a grout joint, allow an extra 15–20% for wastage so the stonemason can cut and butt joint pieces. The installer should unpack each crate and use the full mix of sizes supplied; Tumbled will not exchange smaller pieces for larger.

RECOMMENDED GROUT — WALLING

Walling mix: 5 parts All Stone White Sand · 2 parts White Lime · 1 part Aalborg White Cement · Master Additive. Prebagged grout colours are also available, selected by your designer or stonemason.

Guide only — confirm against a physical sample. Tumbled does not supply grouts.

SEALING & CARE

Tumbled recommends sealing all natural stone. For more information on caring for your natural stone, visit tumbled.com.au.
