WALLING

Calcia

This ultra durable European limestone brings a sense of heritage to your spaces. Its dimpled texture was created using a number of surface finishes and traditional stone working techniques. Chunky, bolstered and tumbled, Calcia Linear Limestone comes in rectangular cladding tiles at random lengths across two course heights. Its versatile caramel palette features subtle colour variations that won't detract from other bold design features.

WALLING & CORNERS

	RRP INC. GST
200 / 300 FORMAT	
Walling · Random lengths to 700mm · 200 & 300mm heights · 25mm	$194.12 / m^2

Walling · Random lengths to 700mm · 300 & 400mm heights · 25mm	$232.95 / m^2
External corners · 150mm short / to 300mm long side	$271.77 / lm

INSTALLATION DETAILS — MECHANICAL FIXING

It is advisable to use mechanical fixings, such as metal angles or pin fixings, where the tile/stone is to be applied at a wall height exceeding 3m above the ground with a stone/tile mass greater than 32 kg/m^2, or a size of 600 × 600mm or larger. Please note this stone walling is 95 kg/m^2 for the 300/400 format.

Tumbled suggests discussing this installation with an engineer and Daniel Redhead from Stone Clip on 0403 679 998. We suggest the StoneClip SetClip 20mm; review the product at www.stoneclip.com/stoneclip-collection/

RECOMMENDED GROUT — WALLING

Walling mix: 5 parts All Stone White Sand · 2 parts White Lime · 1 part Aalborg White Cement · Master Additive. Prebagged grout colours are also available, selected by your designer or stonemason.

Guide only — confirm against a physical sample. Tumbled does not supply grouts.

SEALING & CARE

Tumbled recommends sealing all natural stone. For more information on caring for your natural stone, visit tumbled.com.au.
