| COLOUR | TILE EDGES | STONE | APPLICATION |
| --- | --- | --- | --- |
| Mixed Travertine | Tumbled | Travertine | Walling |

ORDERING DETAILS

Lead time 26 weeks unless in stock. Walling sold in 1m$^2$ lots; corners sold per lineal metre (1 lm covers approx. 0.3m$^2$).

WALLING

# Rustic Travertine RA

A random ashlar format that brings the character of traditional dry stone walling to contemporary facades and feature walls. Mixed travertine tones of warm beige, tan and rust pair with a tumbled edge for an aged, hand laid look that only softens with time.

| WALLING & CORNERS | RRP INC. GST |
|---|---|
| Random Ashlar Walling · 20–40mm | $174.70 / m$^2$ |
| Random Ashlar Corners · 20–40mm | $128.12 / lm |

## PLEASE NOTE — INSTALLATION

When installing without a grout joint, allow an extra 15–20% for wastage so the stonemason can cut and butt joint pieces. The installer should unpack each crate and use the full mix of sizes supplied; Tumbled will not exchange smaller pieces for larger.

## RECOMMENDED GROUT — WALLING

Walling mix: 5 parts All Stone White Sand · 2 parts White Lime · 1 part Aalborg White Cement · Master Additive. Prebagged grout colours are also available, selected by your designer or stonemason.

Guide only — confirm against a physical sample. Tumbled does not supply grouts.

## SEALING & CARE

Tumbled recommends sealing all natural stone. For more information on caring for your natural stone, visit tumbled.com.au.
