FLOORING

# Palo Limestone

Palo Limestone is a premium limestone finish with a timeless, naturally textured look that brings warmth and character to any setting. Its gentle, organic surface works beautifully in both modern and classic spaces, creating an inviting feel that lasts. Durable, refined and full of natural charm, it's an ideal choice for anyone wanting a calm, understated style.

## SEALING & CLEANING

Tumbled recommends sealing all natural stone. For coping, preseal all six sides with Actichem Defender CSD Pure (AP675), then finish with Stone Sealer Gold (AP177) or Solv Sealer Gold (AP176). Natural stone comes from the earth and each piece is unique; variations in colour, texture, tiny holes and natural markings are part of its character.
