According to IDEA 2004

The term “***transition services***” means a coordinated set of activities for a child with a disability that:

- Is designed to be within a results-oriented process, that is focused on improving the academic and functional achievement of the child with a disability to facilitate the child’s movement from school to post-school activities including:

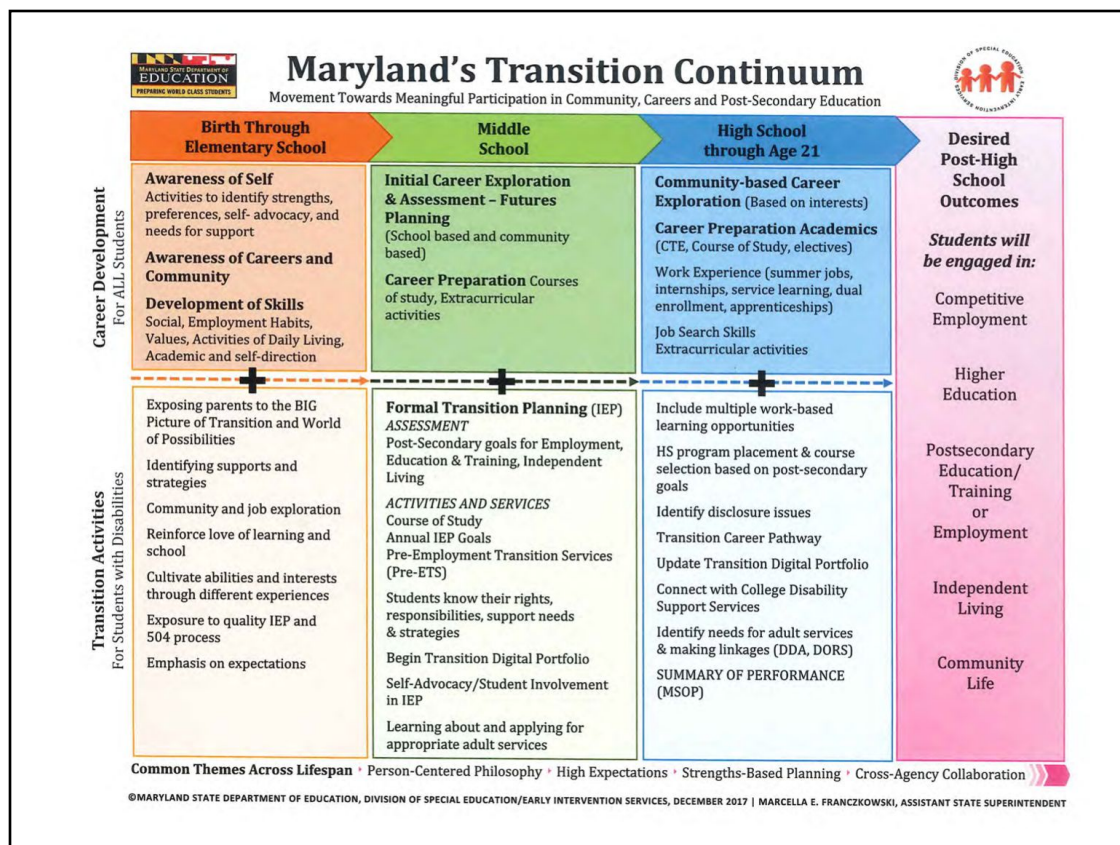

- Postsecondary education
- Career training
- Integrated employment
- Adult services
- Independent living
- Community participation

What is Secondary Transition?

- Is based on the individual student's needs, taking into account the student's strengths, preferences and interests; and
- Includes instruction, related services, community experiences, the development of employment and other post school adult living objectives; and if appropriate,
- Acquisition of daily living skills and functional vocational evaluation.

Secondary Transition Plans

- Starts at age 14
- Based on Age Appropriate Transition Assessments
- Measurable Postsecondary Goals
- Transition Activities (quarterly progress updates)
- Agency Linkages

Transition Services

Transition planning is a continuous process throughout high school...it is not a one-time event

Transition planning is collaborative; the **parents** are essential partners in the process

The **student** is the key decision-maker; the **student** is encouraged and expected to actively participate in this process

Key Players

Student Responsibilities

- Attend class and complete homework
- Accept responsibility for chores at home
- Develop and use self-determination and self-advocacy skills
- Learn to use and maintain assistive technology, if appropriate
- Take an active role in developing the IEP and in the IEP team meetings that follow
- Engage in career awareness and exploration activities, such as completing transition assessments
- Think about the services that will help in daily adult life

What is My Goal?

Employment

- Career Awareness
- Job readiness
- Work-based Learning Experiences
- Job sampling
- Community Experiences

Post Secondary Education

- Take appropriate classes
- Take entrance tests
- Visit Disability Support Services
- College visits
- College fairs
- Know what is required
- Disclose disability to receive accommodations

Key Decisions to Make

- College vs Trade School: Which one is best for me?
- What type of college do I want to attend?
 - 2 year, 4 year?
 - Big school, small school?
 - Close to home and commute or away and live on campus?
- What do I want to study?
- What is my ultimate career goal?
- What supports or accommodations will I need to be successful?
- Am I willing to DISCLOSE my disability?

What are the Options for After High School?

- Postsecondary Education
- Employment
- A combination of postsecondary education and employment

Key Differences

K-12 Entitlement

College/Postsecondary Eligibility

Individuals with Disabilities Education Act	Section 504 of Rehabilitation Act and ADA Amendments Act of 2008
Educational psychological testing is provided	Students provide documentation
Annual Review and IEP	N/A
Parental Involvement	Parental involvement changes (Confidentiality)
Schools identify needs	Student must seek services
Case managers and parents advocate	Student advocates
Range of services	Accommodations related to access and course requirements, do not transfer from HS to College level

Family Responsibilities

- Attend IEP meetings
- Review graduation requirements and help make decisions about diploma options
- Review IEP goals and support the student in developing postsecondary goals
- Help the student practice self-advocacy skills
- Help develop a portfolio that includes an updated IEP, assessment scores, learning style information, honors or awards, work evaluations, work experiences, etc
- Provide opportunities to explore post-school options

School and School District Responsibilities

- Set high expectations for all students
- Find the best way to teach every student
- Ensure students have the accommodations and/or modifications they need to be successful
- Teach students self-determination and self-advocacy skills
- Encourage and help students to participate **actively** in IEP meetings

School and School District Responsibilities

- Make sure that annual goals are related to postsecondary goals
- Link students with state and community agencies that can help them
- Arrange work experiences

School Preparation

Depending on the student's transition outcomes, here are a few of the services that a student may receive in high school:

Self-Advocacy
Instruction

Social Skills
Instruction

Independent Living
Instruction

Work-based
Learning

Community-Based
Instruction

School Preparation

- Academic programs that are based on clear state standards
- Career and Technical Education Programs that are based on industry standards
- Curricular and program options based on universal design for learning, work-based and community-based learning experiences
- Graduation standards that include options

- ❖ Signed consent is good for **1 year** from the signature date.

Consent Form - Agency Referral and Communication

Check the appropriate box

Prince George's County Public Schools
Secondary School Communication/Referral Consent Form

This Consent Form facilitates collaboration between the local school system and other agencies when transition services (as defined in the Individuals with Disabilities Education Act) will be discussed during an Individualized Education Program (IEP) meeting. The school IEP team may invite a representative of an agency to participate in the IEP meeting after receiving parent/legal guardian consent. School personnel may use this form to obtain that consent in order to: communicate/refer a student to an agency, and/or invite an agency representative to IEP meetings.
Please note: Although an agency may be invited to the IEP team meeting, they are in no way obligated to attend.

Student Name: _____ School: _____

Consent to **Communicate/Refer** Student to an Agency:

☐ Division of Rehabilitation Services (DORS)
☐ Developmental Disabilities Administration (DDA)
☐ Behavioral Health Administration (BHA)
☐ Maryland Department of Labor (MDL)

☐ I have been informed about the referral process of the above selected agency/agencies. *I am interested* in my child accessing these services and give permission to the school system to refer and release information as needed that will assist with beginning the referral process.

☐ I have been informed about the referral process of the above selected agency/agencies. I am interested in my child accessing these services. I will contact the agency/agencies to begin the *self-referral* process.

☐ I have been informed about the referral process of the above selected agency/agencies. *I am not interested* in these services for my child at this time. If, in the future, I am interested in pursuing services for my child, I will contact the agency/agencies myself or the school system to begin the referral process.

Parent/Guardian Signature
