## Price Increase on September 2st Annual Membership Fee Implemented January 1<sup>st</sup>, 2026

We first want to thank you for all the support and enthusiasm you met us with during our first year of business. It is an absolute thrill for us to help guide your children and watch them work through challenges, conquer fears, learn to trust in themselves, and cheer others on. What we are able to do everyday and offer to our community is truly a privilege.

With that said, to keep up with our every fluctuating economy we will be implementing a few changes to our pricing to better serve and help prepare for larger changes down the pipeline.

### Starting September 2<sup>nd</sup>, 2025

Old Price → New Price

- **Single Weekly Class Tuition:** \$75/Month → \$79/Month (about a 5% increase)
- **10 Punch Pass** for open gym: \$175 → \$180 (about a 3% increase)
- **Class Drop in Rate** will be \$25 if paid with CASH and \$26 if paid with CARD/CHECK
- **Open Gym Drop-in Rate** will be \$20 if paid with CASH and \$21 if paid with CARD/CHECK
- **Unlimited Open Gym - Youth:** \$50/month → \$65/month
  - This pass is no longer required to be purchased in tandem with another class. Starting 9/1/2025 students may solely be enrolled in an Unlimited Open Gym pass.
  - If a student is signed up for a class then the multiple class discount plan will apply to the unlimited monthly tuition.
    - Example: if Sally is enrolled in Ninfit level 1-3 for \$79/month, and she also enrolls in Unlimited Open Gym at \$65/month then a 25% discount will be added to her Unlimited Open Gym tuition bringing it down to \$48.75/month.
  - This pass will be valuable to a student if he/she is attending at least 1 open gym per week.
  - This pass does NOT include access to the additional pop-up open gyms that will be held on Fridays throughout the year.
  - Currently this pass is scheduled to be seasonal based on the school year: September through May
- **Ninja-Tots Unlimited:** \$80/Month - NO INCREASE
  - This pricing option will be reimplemented on 9/1/2025 with the Monday/Wednesday/Friday 9AM - 11AM schedule.
  - Currently this pass is scheduled to be seasonal based on the school year: September through May

### Starting January 1<sup>st</sup>, 2026

Annual membership fees have come to be industry standard for acrobatic centers such as ours. They help to create a more comprehensive fund to help cover any unexpected costs such as damages caused to the facility/equipment, seasonal fluctuation in attendance, as well as administrative cost such as insurance enrollments, staff background checks, student record-keeping, and our CRM system, iClassPro. As we continue to grow we are starting to see an annual membership fee as a potential necessity, so starting in 2026 we will try it out and see how it goes.

- Single student families membership fee will be \$30 annually
- Multi-member families membership fee will be \$50 annually
- The membership fee will be waived for all military (active and retired) personnel, fire fighters, police officers, first responders and teachers because we appreciate your service!
