

ECE students have presented the conference paper and received Best paper award.

Best Paper Award – IEEE ICETEG 2025

Students of the Department of Electronics and Communication Engineering have received the Best Paper Award at the IEEE International Conference on Emerging Technologies in Electronics and Green Energy (ICETEG 2025) , held on 10th and 11th October 2025 at JSS Science and Technology University, Mysuru , under the track “Emerging Technologies in Electronics and Green Energy”.

The award was conferred for the paper titled “CNN-Driven Feature Extraction with ANN-Based Prediction for Network-on-Chip Congestion Estimation.”

The paper was presented by 6th semester students M. B. Nishanth Aiyappa and Nikitha H. S, and was co-authored by Dr. H. R. Shashidhara, Associate Professor, Dept of ECE , Mrs. Shruthi R, Assistant Professor, Dept of ECE, and Priyanka M. P.

This achievement highlights the department’s emphasis on collaborative research, student participation in IEEE forums, and academic excellence.

International Conference on Emerging Technologies in Electronics and Green Energy
ICETEG 2025

CERTIFICATE OF PARTICIPATION

This is to certify that
 Shruthi R, Shashidhara H R,
 Prof./Mr./Ms./Dr. Priyanka M P, Nikhitha H.S, M.B. Nishankth Aiyappa from
The National Institute of Engineering

Has participated and presented a paper entitled
CNN Driven feature Extraction with ANN Based Prediction for Network-on-chip Congestion Estimation
 In International Conference on Emerging Technologies in Electronics and Green Energy (ICETEG 2025) held at JSS Science and Technology University, Mysuru, during 10th and 11th October, 2025.
