

FACULTY PROFILE

Name : **Meghana NR**
Designation : **Assistant Professor**
Department : **Information Science & Engineering**
Contact Details:
E-mail : **meghananr@nie.ac.in**
Phone : **7019473927**

About me: Meghana NR is an Assistant Professor and Head at The National Institute of Engineering (NIE), Mysuru. I have 2 years of professional experience, primarily in teaching, along with 1 year of industry exposure. My academic interests lie in Artificial Intelligence, Machine Learning, and Data Science. I have taught undergraduate courses such as Graph Theory, Theory of Computation, and Social Connect and Responsibility, focusing on building strong analytical and problem-solving skills among students. I am committed to academic excellence and continuously strive to enhance my knowledge through teaching and research-oriented activities in computer science.

Qualification:

-B.E. in Information Science and Engineering, NIE, MYSORE

-M. Tech. in Software Engineering, SJCE, MYSORE

Courses Taught:

1. Graph theory
2. Theory of computation
3. Social connect and responsibility
