

## Faculty Profile

Name	: Ms. Shalparni P Y	
Designation	: Assistant Professor	
Department	: Information Science and Engineering	
Contact Details:	The National Institute of Engineering, Mysuru	
E-mail	: shalparnipy@nie.ac.in	
Phone	: 8197859492	

### **About me:**

I am currently working as an Assistant Professor in the Department of Information Science and Engineering, since 2024. I am passionate about teaching and mentoring students while contributing to academic and research activities in emerging areas of computer science.

My areas of interest include Cybersecurity, Data Science, Computer Networks, and Data Analytics. I am enthusiastic about exploring modern technologies in these domains and integrating them into teaching and research to enhance student learning and practical understanding.

My academic background has provided me with strong foundations in networking technologies, data-driven systems, and security concepts. I am committed to continuous learning, academic excellence, and contributing to the development of students through innovative teaching and research-oriented approaches.

### **Qualification:**

B.E.in Computer Science and Engineering from SSIT, Tumakuru

M.Tech in Computer Network and Engineering from BMS College of Engineering, Bengaluru

**Courses Taught:** List of UG and PG courses taught in recent years:

1. Digital design and computer organisation
2. Scientific Foundation for Health
3. Cyber Laws
4. Social connect and Responsibility
5. Universal Human Values Course
6. Indian Knowledge Systems
7. Distributed Systems

### **Professional Certificates:**

Completed IUCEE course, a part of Teaching Learning Centre ,NIE, Mysuru.
