About me:

Mrs. Amruthasree V M is an Assistant Professor in the Department of Computer Science and Engineering and is currently pursuing her Ph.D. in Computer Science and Engineering under Visvesvaraya Technological University (VTU). Her research primarily focuses on **Machine Learning**, with an interest in developing intelligent and scalable systems using advanced machine learning techniques.

She is actively involved in teaching several core and advanced courses such as **Data Structures and Applications, Analysis and design of Algorithm, Python Programming, C Programming, Cryptography**. She is dedicated to helping students build strong programming skills and encouraging them to apply theoretical concepts to real-world problems.

Mrs. Amruthasree is a Life Member of IFERP (Institute for Engineering Research and Publication) and is committed to promoting innovation, research, and technical excellence among students while contributing to advancements in emerging technologies within the field of computer science.

Qualification:

- Ph.D. (Computer Science & Engineering), VTU - Pursuing
- ME (Computer Science & Engineering), Anna University - 2016
- B.Tech (Information Technology), Calicut University - 2013

Courses Taught:

- Data Structure and Applications
- Analysis and Design of Algorithms
- Python Programming
- C Programming
- Cryptography
- Database Management System

Professional membership:

- IFERP (LIFETIME Membership)
