### **About me:**

Ms. Kavitha S is an Assistant Professor in the Department of Computer Science and Engineering at The National Institute of Engineering (NIE), Mysuru. She has 0.5 years of academic experience in teaching and mentoring students in the field of computer science. Her research interests include Artificial Intelligence, Machine Learning, and Deep Learning.

She completed her M.Tech in Software Engineering in 2025 from JSS Science and Technology University, Mysuru and B.E in Computer Science and Engineering in 2023 from Visvesvaraya Technological University, Mysuru.

She has experience teaching several undergraduate and post-graduate courses such as Data Science and Management, Introduction to Artificial Intelligence and Applications, and Python Programming. Her teaching approach focuses on integrating theoretical concepts with practical, hands-on learning to help students develop a strong understanding of modern technologies and their real-world applications.
