About me:

Mr. Nishanth R is an Assistant Professor in the Department of Computer Science and Engineering at The National Institute of Engineering (NIE), Mysuru. He is a passionate and enthusiastic educator dedicated to teaching and research in the field of computer science. His areas of research interest include Artificial Intelligence and Machine Learning, Computer Networks and the Internet of Things (IoT).

He completed his MTech in 2025 and B.E in 2023 from Visvesvaraya Technological University (VTU). During his academic journey, he developed a strong foundation in computer science and engineering, with a keen interest in emerging technologies and their practical applications.

He is involved in teaching undergraduate courses and guiding students in developing strong conceptual and practical knowledge in core computer science subjects. His teaching philosophy emphasizes clear conceptual understanding, hands-on learning, and real-world application of technologies, enabling students to build strong technical and problem-solving skills.

He is also a lifetime member of ICPSCE (International Council for Professional Society of Computer Engineers) and actively engages in academic, professional, and research-oriented activities to contribute to the advancement of the computing field.

Qualification:

MTech (Computer Science and Engineering), VTU CPG, Mysuru, Visveswaraya Technological University - 2025.
