About me:

Ms. Divyashree R is an Assistant Professor in the Department of Computer Science and Engineering at The National Institute of Engineering (NIE), Mysuru. She has 1.8 years of academic experience in teaching and mentoring students in the field of computer science. Her research interests include Machine Learning, Deep Learning, and Artificial Intelligence.

She completed her MTech in Data Science in 2023 and B.E in Information Science and Engineering in 2021 from JSS Science and Technology University, Mysuru.

She has experience teaching several undergraduate courses, including Machine Learning, Deep Learning, Full Stack Development, MERN Stack, Data Visualization, and UI/UX Design. Her teaching approach focuses on integrating theoretical concepts with practical, hands-on learning to help students develop a strong understanding of modern technologies and their real-world applications.

She is also a professional member of IFERP (Institute for Engineering Research and Publication) and actively participates in academic and research-oriented activities.
